Missions

Have you ever been on a mission trip? When? Where? What did God do through you and in you?

How does getting outside of our culture change our perspective about what God is doing in the world?

Read John 17:18, Acts 1:8, Matthew 28:19, and Mark 16:15

What sticks out to you from these verses? What do these verses tell us about our mission in the world as followers of Jesus?

Do you think there is a difference between living a *kingdom mission* where you are and being called to be a *missionary*? If so, what is the difference?

Why do you think God gives the church a global vision? How can we keep a global vision as a church?

This week we highlighted a number of our church's "sent" missionaries. The challenge is to connect with at least one of them. Are you partnering with any of our missionaries? If so, how? If not, are there any missionaries doing work you'd like to be a part of?

What else from our Sunday gathering challenged or inspired you?
