## Jesus: The Miracle Worker Mark 2:1-12 Group Discussion Questions

In this particular story, we learn that Jesus will always partner with us whenever we approach Him with faith. What are some of the ways in which you partner with God in your life and in the lives of those around you? Think of specific examples to share with your group.

Jesus revealed Himself to the paralytic man as a healer and miracle worker, but many times He chooses to reveal Himself to people as a teacher, fellow traveler, compassionate friend, etc. How has Jesus revealed Himself to you recently? Are there particular moments when you have experienced a profound connection with Him?

The Pharisees' mindset was one of suspicion. When do you most relate to this kind of thinking? What is your "go-to" pattern of thinking whenever things get difficult? Is it doubt, fear, and negativity? Or is it hope and trust?

In this passage, we see four friends willing to do the impossible to bring a friend closer to Jesus. Are there any people in your life you could "carry" in the same way these friends carried the paralytic? What would it look like to do the impossible for them?
