Group Discussion Questions

In part 1 of this series, Matt talked about how the nature of the Trinity is highly relational, always giving, and eternally loving. This week, Gaby talked about how Jesus draws us into the Trinity and makes this perfect communion available to us. Is this truth hard to believe or easy to take in? How does it make you feel?

What are some of the myths and misconceptions you previously had (or currently wrestle with) regarding Jesus? How have they changed? What are your biggest areas of struggle?

Colossians 1:15 says that “Christ is the visible image of the invisible God.” When you look at the full extension of Jesus’ life, what are some attributes or characteristics of God that you find revealed in Jesus?

How did Jesus treat, love, understand, honor, validate, and welcome others? If we are to participate in the life of Jesus and the community of the Trinity, how does Jesus’ example affect the way we treat, love, understand, honor, validate, and welcome others? Are there people in your life that God is inviting you to engage with differently?

The Bible says that God’s desire is to “reconcile” all things through Jesus. This reconciliation talks about a full restoration of everything in creation (people, relationships, families, sickness, etc.) Can you name three areas in your life that need to experience this kind of reconciliation?

Suggested passages for prayer: Colossians 1:15-20; Ephesians 1:17-23; 2 Corinthians 5:17-20.
