Reflection Questions—Discuss the following with your community group:

- What are some of your existing commitments? What do they say about what you care about?
- In what ways do you relate to Paul's story?
- How has God captivated, or gotten a hold of you (what you pursue, value, and find significance in)?
- Where have you experienced a conversion in your identity, community, mission, and vocation because of Jesus?
- How will this Scripture change or reinforce your commitments?
